From our

NATIONAL CHAIRMAN

A NEW JESUS' MOVEMENT

I was saved in 1971 during the *Jesus movement* when millions of young people were impacted with the good news about Jesus. It was a time of great social and cultural upheaval in the western world, and I'm expecting another similar revival to sweep Australia and the world. This year's fabulous film '*The Jesus Revolution*' accurately portrayed this unique move of God. It brought tears to my eyes as I experienced this in Adelaide as a 17 year old kid.

Culturally and socially we are becoming even more fractured than the late 1960's/early 1970's. People are rapidly losing hope, as mistrust in society's institutions is growing at an alarming rate. I sense we are ripe for a new Jesus awakening and the CRC is preparing itself to be at the forefront of a new salvation move, especially among our youth and young adults.

THE NEXT CHAPTER

What an appropriate theme for our 2023 CRC National Conference where we are releasing our next 5yr strategic plan (2023-2028). Revival is at the heart of our spiritual plans.

The prayerful process we have undertaken to frame these Strategic Directions after surveying all our pastors, keeps us aligned to our changeless vision and enduring values.

They prevent us being diverted to lesser things which take our eyes off the main game.

The CRC is a New Testament movement and we are careful to stay Biblically grounded, Cross focussed, Christ centred, Holy Spirit led, prayerfully

dependent, people loving, culture changing, forward moving (in faith & obedience) and outreach orientated. To shift from these foundations makes us spiritually powerless and we will miss out on the revival Jesus has in mind.

I have encountered 20 distracting theological heresies and extreme ministry emphases over the past half century of ministry and church leadership. They all get our eyes off propagating Jesus' gospel and outworking Jesus' Great Commandment and Great Commission. These return from time to time in Australia and across the world. I've just returned from Ghana and Greece where the 'prosperity gospel', 'hyper faith', 'legalism', 'false prophets' and 'anti women in ministry' etc, are confusing people about what the true gospel of grace is all about. These and other false views that caricature the gospel will cause many to lose their spiritual effectiveness.

I'm so concerned Jesus' Church is not beguiled and diverted from the main game, that I've written my latest book *Biblical Stability In Uncertain Times* to address this phenomenon. I pray it will be a helpful tool for pastors and churches to stay fully aligned to the New Testament pattern for revival in our time.

WORLDWIDE PENTECOSTAL REVIVAL

It was an honour to represent the CRC at the triennial *World Pentecostal Conference* in Seoul, South Korea last October, and to be appointed to the 30 member Advisory Council, representing Australia. We are part of the 650 million Pentecostals across the globe, and it's reassuring we are part of the fastest growing Christian movement in the world.

I also attended as a Board member of the *Healing Jesus Campaigns* a unique gathering in Accra Ghana in late July. This evangelistic outreach ministry by Bishop Dag Heward-Mills has led over 15 million people to Jesus. *The LightHouse Chapel International* movement started in 1988 by Bishop Dag as a young medical doctor has now planted over 6,000 new churches.

Across Africa, Asia, Central & South America this pattern is being repeated. The western world nations are the only exception to this and we are all working to reverse this downward trend.

The National Church Life Survey (NCLS) research group has reaffirmed from its first survey in 1991, it's the evangelical and Pentecostal churches that are growing in Australia.

Closer to home it was my privilege to visit PNG in May to spend time with the CRC's National Executive Council (around 50 key Pastors from all the provinces make up the NEC), and to minister at Bethel Centre, Port Moresby. I've been visiting PNG most years since 1987, so it was a particular delight to see my brother and sister pastors after a 4 year break due to COVID. We have over 500 churches and outreaches across PNG which makes it our largest CRC Nation, and it's always a delight to have some of our PNG leaders with us at our National Conferences.

ORGANISATIONAL MATTERS

Government Regulations

We are so pleased that Pastor Wendy Brooks is continuing employment two days a week as our national staff member overseeing the many 'government regulations' we all must comply with.

She is a wonderful woman of God and is such a gift to our movement.

Credential Process

We have improved the process for people starting on the credential pathway.

There have been some sensitive issues that arise from receiving applications and references just before a credential interview and after the respective competencies have been completed.

To help avoid these issues, we have made a timely and important change. All credential applications and references are now being sent to the State Credential teams by the nominating ministers and local churches at the beginning of the process, and before coaches start working through the competencies with the candidates.

Pastoral Supervision

This is a recommendation by the Royal Commission into Institutional Abuse of Children held several years ago. Its purpose is to ensure all Pastors have a supervisor who can provide personal support and encouragement in outworking their ministry call.

Most professional counsellors and other intensive people helping vocations already have a similar measure in place. We now have a plan to provide training for this positive initiative, as we anticipate our governments will eventually make this a legal requirement for Pastors. We will be rolling this out over a 5 year process.

WORKING TEAMS

To implement our Strategic Directions, we are putting together some Working Groups led by National Executive members and other experienced Pastors. I am so pleased the Lord is raising up some highly competent and character filled leaders across our movement. Each team leader who is sharing at Conference will have a group of gifted pastors & leaders from each State helping them facilitate their portfolio.

VOICE REFERENDUM

I have written an extensive letter to all our pastors, delegates & churches expressing my thoughts, and it's available on our CRC Website.

I concluded with the following:

"I never publicly state my voting intentions in elections and neither will I about this referendum. Nor do I ever use the pulpit to encourage my congregation to vote a particular way or support a political party. I encourage you to do the same. Hopefully my thoughts are helpful as you read, reflect and pray about this important civic duty we must embrace as Christians.

Finally let's not get diverted as churches and Christ followers by political, social and racial divisions which easily get inflamed. Don't get pulled to the left or right of our world's politics, just go deeper in Jesus and His cause.

We are all called and commissioned by Jesus to proclaim His good news about salvation, to lead people to Christ and connect them into existing or new churches. We all know it is an encounter with Jesus that ultimately changes lives, restores the broken, heals relationships, breaks addiction and releases us from guilt, shame and fear. Let's never forget *we are Just beggars showing another beggar where to find bread.*

Reconciliation and peace between people and social groups naturally flows when we are reconciled to our amazingly loving, forgiving and restoring Heavenly Father. Peace with God through personal faith in Jesus (Romans 5:1) causes the peace of God to heal our souls (Philippians 4:7) and becomes the enduring basis to bring peace between people (Ephesians 2:14-18). This is the priceless Gospel we steward and it's the only lasting Hope for our broken world.

This year's National Conference will provide an opportunity to collectively pray for unity and peace in our beloved nation at this historic juncture, and for our precious Aboriginal and Torres Strait Islander peoples."

PROGRESS

When you read the reports in this yearly update, real progress and healthy growth has occurred across the CRC in Australia and the world.

May this increase over the next 12 months. It's a joy and privilege to be serving Jesus with you through our CRC family.

Pastor Bill Vasilakis

National Chairman

SA, NT & WA

I'm so thankful for God's amazing power and love that has been shown to us. In so many ways, seen and unseen, God has been at work protecting and blessing His inheritance in this world. It's wonderful to be in the dominion of Jesus Christ. Every time I consider the work of the CRC in the many locations around Australia and the world, I am grateful that it is His Spirit who works so powerfully within us. When bringing the Ark to Jerusalem, David records this accompanying song:

*1 Chronicles 16:9-11,
"Sing to him, sing praises to him; tell of all his wondrous works! Glory in his holy name; let the hearts of those who seek the LORD rejoice! Seek the LORD and his strength; seek his presence continually!"*

We are always dependent on His strength and we always crave His presence.

In the tri-state region of South Australia, Western Australia and Northern territory, we are grateful for the good things God has done. As a State Executive it is our honour to serve the churches in whatever way we can, providing help, encouragement, fellowship and prayer. The Executive said good-bye to a few members as they moved on to other positions this year.

We are so thankful for the help of David Washington who was the State Administrator for 18 years and has left the movement in a healthy and innovative state. Well done David, we already miss you. Pastor Rod Ness also retired from the Executive as he stepped down from his leadership position in his church, and we are thankful for his many years of faithful service both on the Executive and in the Tea Tree Gully church. Paul Kidney also stepped down as Vice Chairman after many years serving both in that role and as a member, we are grateful for his selfless service and hard work.

The Executive is now made up of: Joe Habermehl (Chairman), Mark Bettcher (Vice-Chairman) Wendy Brooks (Administrator), Fiona Voortman (Credentialling), Paul Kidney, Cass Tompich and Joshua O'Callahan. Hans Voortman continues to serve as State Pastor and travel around the churches bringing life.

There was a bit of change around the states this year, some planned, some sad, and some surprising. New leadership at the Tea Tree Gully church under Pastor Rodney Garland is going very well. A faster than expected appointment of senior leader at Macclesfield happened when Brenton Wood stepped up after when the wonderful Darryl Stott passed away unexpectedly. Jeremy Steel now oversees both his church at Lefevre and the work at Alice Springs and is balancing those two roles well. We also welcomed Jeremiah Madimadi, a vital part of the team in Port Moresby, as he took up leadership in the Tennant Creek church.

A few churches are also in the building game as well. Christies Beach is well into the massive redevelopment of their site to modernize and better minister to that growing community. The Gawler church bought and renovated the Gawler Twin Cinemas and is now worshipping there, showing movies, operating a café and clothing store. The biggest project of all though is the beginning of the huge school renovations at Portside. The growing school and preschool is busting at the seams and they have nowhere to go but up. Plans are also underway at Port Lincoln to expand their building. A few other churches are nudging the doors of opportunity to best reach and disciple their communities by acquiring facilities or land. Have great faith, God is with you.

Portside church (PortLife) also hosted a great conference for us all this year. They provided us with such a warm and worship-filled setting that we just loved. All the speakers brought great and unique challenges to our thinking as well as we considered what it means to be a creative leader. The Holy Spirit is the most creative being in the universe, and He lives in us giving us the mind of Christ. It's wonderful to know that God has unique, unexpected solutions for every issue in life. During the conference we also got to hear some of the stories of how people are approaching things like evangelism and church planting in refreshing new ways.

However, the highlight for most was hearing about how God led and inspired

Pastors Barry and Vanessa Chant in bringing to life Tabor University and the Charismatic Conventions. "Plod with God" was my takeaway and I was so blessed to be reminded about what God can do when we follow the leading of His Spirit.

Thanks to all the many churches and pastors who make up this wonderful fellowship. We are grateful for every one of you, sharing the joys of your successes and burdened with you in the pains. I know you are all so busy in the work of the Lord and I encourage you in it, there is no better work to do and He will reward your labors.

"Seek the LORD and his strength; seek his presence continually!" 1 Chr 16:11

State Report

VIC & TAS

The Victorian and Tasmanian churches are doing well. There is generally good health across the movement.

At the State Conference, the official handover of the chairmanship took place from me to Andrew Cox. Andrew took on the responsibilities with good energy. He was working well with the team and bringing new perspective to the role. It was a time for him to assess where we were as States, build relationship with leaders and consider what he sensed needed to reorient for the future.

However, mid-year Andrew needed to focus on his health and stepped back from the role. I will take on the leadership during this time.

The Executive and the Credentialing Team are very impressed with the quality of candidates that are put up for credentials. There is a strong cohort of leaders coming through. This is a testament to the local church pastors and leaders and Revival College through their investment in leadership development. Vic-Tas churches have been strong supporters of our college

“

”

and we are seeing good comradery among our young church leaders and a sense of connection to the movement.

The Implant Training Day for youth, children and young adult leaders has been one of our success stories. National Youth trialled joining in this year—it went well for a first time event. The Vic-Tas Team will work with national leaders and continue to build on the relationships in the other states.

There are good potential leaders coming through for new church plants. A number of churches are visioning for new churches. There are great opportunities in both states. Manningham, Cranbourne, Redcliffs and St Albans are leading the charge.

This year we held our State Conference in Albury with NSW/QLD/ACT churches. The venue worked amazingly well and the team at City Central Church did a great job. It was good to have Ian Miller back in Australia to stir things up.

Planning for a new Christian school in RedCliffs is well underway and they expect to launch next year. Well done to Bruce Sharman and Phil Cayzer and the Lighthouse Cranbourne team in working through the issues and logistics to make it happen.

The Tasmanian scene is doing well. Two of the smaller churches in Hobart and Launceston have closed after many years of ministry. Some of the Ravenswood group have joined with Blackstone Christian Centre. Thank you to Peter

and Lyn Vandenberg for your faithful service. Thank you also to Brian and Louise Edwards for your many years of service at Bridgewater.

Churches are improving their compliance regimes. It's a continuing challenge to remain compliant and current with legislation. It feels a little overwhelming at times but with Wendy Brooks working for us in the National Office we are doing well. We are also blessed to have Anna Wyatt as our administrator. She has improved the organisation.

There is great scope for growth of numbers of churches and congregational size. We're excited about the future for our two most southern states.

State Report

NSW, QLD & ACT

It's such a privilege to serve our CRC family of churches as part of our State and National leadership teams. In a time when integrity, trust and stability is vitally needed in spiritual leadership and ministry, it is so refreshing to lead and minister amongst pastors and key leaders who reflect those God given and Christlike qualities.

As a state (NSW ACT & QLD) we have always had a strong focus on encouraging relationship and connection amongst our pastors and leaders. We realise true relationship and connection requires the intentional thoughts and actions of each individual to invest in fruitful relationship and avoid isolation and independence.

It's my observation over many years that pastors and leaders who maintain relationship and connection are also more likely to maintain personal integrity and genuine passion for the ministry.

State Conference 2023

What an amazing time as we joined together with our Vic-Tas pastors and leaders for an inspiring time around the theme of "Unreached". Our speakers, Ps Ian Miller and Ps Tina Waldrom did an excellent job and the combined worship and fellowship was exceptional. Ps Geoff and Sara Hodgkinson and the fantastic team at City Central Church, Albury did an amazing job hosting the conference.

Regional Gatherings

Ps Boo continues to lead our Sydney Pastors luncheons and sets a high bar with his organisation, encouragement and photo taking skills. Less regular, but equally inspiring are our Southern NSW, Central Coast NSW and North Queensland regional gatherings.

Generations

Jodie Elliott, Beka Dennis and Caroline Dennis all champion the healthy and necessary goal of each church working towards an effective ministry to the youth and children within their communities.

“

”

Activities including: the reignited Condo youth camp, tapping into the Victorian CRC “Implant” training event, coordinating vibrant kids programs at our State & National CRC conferences, promoting and sharing resources across our local churches and celebrating our committed and passionate youth and children’s ministry leaders who faithfully serve week by week ... all help to keep the vision for these vital areas of ministry alive.

Church Planting and Missions

There continues to be a broad and significant involvement in overseas Mission fields across our state CRC churches, with many inspiring stories of longer term missionary service, short term mission trips and generous financial support being given.

Consistent and fervent prayer for both overseas and local mission expression is evident in the life of many of our CRC churches.

Community outreach and church planting are increasingly part of the conversation and remain central in the goals and strategies of most of our state CRC churches.

Finally, I commend and thank our State Executive team who have such a heart to support and inspire every one of our churches, along with their pastors and teams.

MISSIONS

The past year has been a time for churches to get back to the ‘new normal’ following the upheaval of the pandemic.

People are moving out again on Mission Trips. Pulse Magazine this year is focusing on Missionaries and Mission Trips, as there is plenty happening.

International Vision

To fulfil our International Vision of a presence in every nation by 2045 we need to be clearly focused beyond our own backyard.

In 2014 there were 37 nations regularly visited, and we had contact with a total of 65 nations. In 2023 this has increased to 61 nations regularly visited (increase of 65%), and a total of 77 nations contacted (increase of 21%). We are making good steady progress!

The best estimate we have available is that those nations regularly visited would equate to a realistic presence in that nation. From these statistics the focus appears to have been more on our established fields which was probably needed after the pandemic, but it now needs to expand and start to open more nations as is happening in Africa.

We are making progress in the Pacific, Asia, and Africa, but we also need a major thrust in Europe and the Americas – North and South.

Our International Vision will be easily fulfilled if all our existing nations reach out to another nation every 5 -10 years. This would mean a considerable stretching of our resources, but God will only give us more resources as we are making full use of those we already have.

Training

The CRC IMBC (International Missions Bible College) in Africa has now had 2,510 students registered.

Those graduated are:

2019	-	68
2020	-	387
2021	-	316
2022	-	585

This year (2023) there are 1151 people being trained.

The feedback on the students is that the courses are making a major impact on the quality of ministry and personal and spiritual growth.

This year there are IMBC Campuses in 15 nations in Africa. In 2024 it is expected that another 10 nations will be included, and the courses will be available in 7 languages.

Day of Prayer

This was held on Thursday 27th July 2023 with a total of 40 Australian churches involved.

The past year has been a time for churches to get back to the ‘new normal’ following the upheaval of the pandemic.

Missions Sunday

This was Sunday 30th July 2023 with a total of 43 Australian churches involved. An offering was received from 33 churches. So far \$41,977 has been received at our Missions Office for the Training Centre in Mwanza, Tanzania.

A note for your diary:

- CRC Day of Prayer – Thursday 25th July 2024
- CRC Missions Sunday – Sunday 28th July 2024

International Leader's Gathering (ILG)

The ILG this year is being held on Wednesday afternoon, 4th October on Zoom, with the Regional Groups on Thursday 5th October at a time appropriate to the Region.

The Future

I am now concluding my time as Australian Missions Director. It has been a privilege to serve the Movement as AMD for the past 13 years, and to see the progress that has taken place.

It is now time for a new AMD to continue the forward thrust and make the changes that are necessary for the next steps of fulfilling the International Vision.

Ps Phil Cayzer will be the next AMD and I strongly commend him to you as a man well suited to the role.

Thank you!

Thank you very much to Mikaela Groom who has managed our finances this year from PNG. She has also been the editor of the Pulse Magazine. Mikaela has always been very helpful and cooperative and has done an excellent job. I have greatly appreciated her help.

Thank you also to my wife Lois who has assisted with a lot of the administrative side of our Mission work.

Thank you also to the Members of the AIMT – Pastors Barry Silverback, Bill Vasilakis, Bruce Sharman, Hans Voortman, Phil & Norma Cayzer, Ai Wari, Jeremy Steel and Nathan Bettcher. Thank you for your vision and commitment to Global Mission.

MISSIONS

It is encouraging to write about the work that the Spirit of God is doing in the nations and within our own nation of Australia.

Spontaneity in Evangelism

In a number of nations, I am seeing what I call “ground swell” of enthusiasm and excitement arising amongst youth as they spontaneously group themselves together and venture into rural areas, villages, towns, and displaced persons settlements preaching and witnessing through street evangelism, open air meetings, crusades and home gatherings. They are seeing people coming to Christ, baptized in water and the Spirit, healed and delivered.

Advances in Training

It is refreshing to see an emphasis on training people of all ages that are keen to study God’s Word and better prepare themselves for ministry. There is definitely a greater focus on training nationally in a number of countries but I am also seeing this amongst smaller churches who are now taking steps to initiate local church training programs. Training is where our future leadership and ministry lies, with the development of training in Africa, Philippines, PNG and with some other ministries in Sri Lanka and India.

For example, PNG has launched a teaching program called “Walkabout Bible School” which is designed to take teachers to the people who cannot come to the training.

The responsiveness to this program is quite amazing and so refreshing, which has caused a new sense of excitement and eagerness in both the teachers as well as the students. It has great possibilities for it to be transplanted into other nations also.

Ministry to Children

There is a definitely a renewed interest in ministering to children, resulting in a desire to regularly gather them together and have input into their lives in some way. Current programs are being re structured and new ones created to cater for the increasing number of children that are so keen to gather.

This eagerness amongst the children to come together is so refreshing to see because it has not always been that way for a long time. Interest in Early Learning training courses and Pre School Teacher training is attracting International and National students. Sunday schools are growing, with children’s weekends and camps drawing children from all parts of the community. There is also a growing awareness to establish permanent Pre Schools or Early Learning training centres in the rural and urban areas.

It is truly a joy and privilege to be able to serve our lord in all kinds of weathers knowing that we are touching and transforming lives in one way or another. It is great to be alive in this day and to show God’s Power and Love to this generation.

Pastor Barry Silverback

International Missions Director

MISSIONS

The key aim of Pathway to Missions is to encourage, train and prepare Australians for cross cultural ministry. Pathway to Missions exists to ultimately prepare people for missionary service and create a network of like-minded people wanting to serve in the nations. 4 simple steps will help transition people along in their journey of missions...

Step 1

Weekend Seminars (run in each state)

Step 2

One-week Missionary Training Intensive

Step 3

Missionary Exposure (1-3 months long)

Step 4

Further Training at World Missions Faith Training School (WMFTS PNG) or Missionary Service

It has been wonderful to see so many people engaging with the Pathway to Missions seminars. In both the NSW and SA seminars held this year, there was a high proportion of young people in attendance. I believe that there is a growing passion within the youth of the CRC to engage meaningfully with service in the nations.

This year there has been 3 people take part in Missionary Exposure (Step 3 of Pathway to Missions). One of these spent a month in the Philippines and had an amazing time. Another one travelled with me to Nepal for 3 weeks, for their first cross cultural missions trip. The third person has been engaged in the Alice Springs church working predominately with Aboriginal ladies.

My desire is to see more people flow into doing cross-culture missions exposure for 1-3 months, this can be tailored to the needs and availability of each individual.

We will be conducting Pathway to Missions Seminars in NSW, Victoria and SA in 2024 and hope to run the second one-week Missionary Training Intensive in July 2023. For more information, please contact me via email steeljeremy0@gmail.com

It has been a great joy to see such a positive response the Pathway to Missions initiative. I'm believing this momentum will continue to build in the coming years.

PLANTING & CHRISTIAN SCHOOLS

It's good to see so many churches across Australia having Church planting back on their radars over the past year. The CRC Churches International has always embraced the mandate to "Go and make disciples of all nations" (Matthew 28:19), and alongside of this is the foundational call of our movement to Church planting, along with the liberating New Creation Message: "Therefore, if anyone is in Christ, the new creation has come: the old has gone, the new is here!" (2 Corinthians 5:17).

We have seen new churches, many of which have been planted in rural areas over the past 12 months, with numerous stories told of lives being transformed.

There has also been an increase in ethnic and community churches seeking affiliation with the CRC. As a result of the after-effects of Covid-19 and the ever-increasing legislation requirements, there is a need to reach out to these churches that are unable to continue to be spiritually effective without a movement like the CRC to support them. Let's be sensitive to those that we can offer support to.

To see Church planting impact this nation we need to continue in leadership development by equipping future pastors and leaders with sound Biblical training, and foster their spiritual gifts so they can minister effectively - leaders and members alike. (Ephesians 4:11-12)

As we look ahead, CRC Churches International re-establishes our commitment to fulfilling the Great Commission with renewed determination by:

- Strengthening discipleship and leadership development programs to ensure sustainable spiritual growth.
- Embracing technology to enhance our online presence and outreach, staying true to 1 Corinthians 9:22: "I have become all things to all people so that by all possible means I might save some."
- Forging partnerships and collaborations, guided by Romans 12:5-10: "Be devoted to one another..."
- Seeking innovative solutions to overcome challenges, trusting Proverbs 3:5-6: "Trust in the Lord ... He will make your paths straight."

I want to express my heartfelt thanks to all who have supported our Church planting ministry. Together, we are fulfilling the Great Commission and bringing the light of Christ to new communities. As we look forward to the exciting opportunities ahead we are confident that, with God's guidance and your continued support, we will see Australia won for Christ.

Please keep our Church planting ministry in your prayers and consider how you can further contribute to this vital mission.

Christian Schools

It is my privilege to report highlights, achievements and some future plans as we strive to fulfill our calling in Proverbs 22:6: “Train up a child in the way he should go, and when he is old he will not depart from it.”

Running Church-based Christian Schools is unquestionably the best way we can develop our next generation and prepare them to live Godly in this world, and change lives. Over the past 5 years it has been exciting to see how many CRC Churches have been looking to make an even greater impact into the nation through Christian Schooling.

Here is a quick overview of our Church supported schools, and some of the new planting initiatives that are being overseen by CRC Churches.

Sunrise Christian School (Fullarton, SA; Paradise, SA; Morphett Vale, SA; Marion, SA; Naracoorte, SA; Whyalla, SA)
Temple Christian College (Mile End, SA; Paralowie, SA; Marion Middle School, SA
Discovery Christian College, Agnes Water, QLD

Murray Bridge 2025
Colac 2025

Over the past year, CRC sponsored schools have achieved several significant milestones.

Our schools have consistently maintained high academic achievement, with some obtaining the highest recognition for a Christian School in their State. Colossians 3:23: “Whatever you do, work at it with all your heart, as working for the Lord, not for human masters.”

Christian Values are the foundation of every aspect of education, and nurturing students’ faith and character development prepares every young person for the future God has for them. 2 Timothy 3:16-17: “All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness.”

Many of our school graduates have excelled in their respective fields, reflecting the promise of Psalm 37:4: “Take delight in the Lord, and he will give you the desires of your heart.”

Many of our schools have actively engaged with their communities, serving as beacons of Christ’s love and knowledge. We have adhered to Matthew 5:16, “In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.”

As we continue to see the anti-biblical secularism that is sweeping through so many of our government schools, I encourage the CRC family to pray for and consider how we can plan to start more Church-based Christian Schools in order to change the direction of our nation.

Pastor Phil Cayzer

Christian Schools Director*

GENERATIONS

Over the past 12 months we have seen some exciting things take place in the National Generations space. New ministries have started, positive transitions of leadership have occurred and lots of progress has been made as many kids, youth and young adult ministries were able to relaunch and rebuild.

Key Highlights

This year we set up hubs to allow people from each state to join the Implant Training Day, which has been running in Victoria for many years. This trial was a great success, with Victoria recording their highest in person attendance and several other churches from around Australia utilising the training for their own teams. Moving forward the Implant Training Day will be rolled out as an in person one-day event in each state, allowing for our Kids, Youth & Young Adults teams to participate nationally.

Over the past 12 months we have seen an increase in young people engaging in missions, with several young people participating in mission's trips and attending Pathways to Missions programs, in particular at the recent 2 Day event hosted in Narrandera.

A focus for the year has been on building, connecting and equipping our Generation leaders. At the last National Conference we launched a devotional book, which featured a series of devotions written by Youth Pastors across Australia. This book was well received and a great step towards our goal of putting

resources into the hands of our young people. The National Rev.Generation website has also been a great tool for sharing resources and it will continue to be the central hub for further resources we will launch in the coming 12 months.

This year I was able to attend all the State conferences with our National Youth Director, Beka Dennis. During these events we were able to meet with generations leaders and share vision and build relationship and connection. I am encouraged by the calibre of young leaders we have in the movement and the tremendous work our generation leaders are doing in their local communities to share the gospel of Jesus and disciple not only the young people, but their families also.

It has also been encouraging to see many of our Generations Pastors be released into senior leadership, church plants and taking on training roles.

The future of our movement is bright.

TRAINING

2023 has been a season of transition with a change in leadership, some staff changes and a refining of focus. Training has primarily centred on Revival College and supporting its students. We've run two camps this year, both in Victoria, which have been a great time of learning and growing together. Our speakers have been predominantly CRC pastors and we've focused on making sure our camps are intentional at supporting students' academic learning as well as emphasising our CRC distinctives.

A new National Training Team has been formed with David Wright, Bill Lowrey and Sam Chesser coming on board to join myself, Mark Walker and Nathan Bettcher. The team met for the first time in August to discuss what training looks like going forward. We're excited about the future possibilities and the opportunity to serve the movement in this area.

Our next Strategic Directions will also be looking at how to help every church outwork ministry and leadership development in their location.

ADMINISTRATION

What amazing times we live in! As the world about us constantly changes, the need for Jesus' church to keep in step evermore increases, while our mission, values and vision remain clear and Christ-centred. In the last 12 months, we have seen the need for policies and good governance increase nationally. Pastor Wendy Brooks has been such a blessing to our movement and what she has produced over the last year or so has become a critical resource for all of our pastors and churches, now available on the resources section of the CRC website.

With the cost of living being a hot topic in our nation at present, it's not surprising this has also affected many churches – especially in the areas of food and

electricity prices. I'm grateful for the good financial management we have in our CRC Offices and thank May Kirkland, Lorraine Hardwick, Emma Lundberg and Mikaela Groom for all the hard work they put in.

I'm really looking forward to launching the next 5 Year Strategic Directions 2023-2028 at this year's conference. As you can see from each of the reports in this update, there are many good things taking place in missions, church planting, training, evangelism and generations. However – the best is yet to come. I can't wait to see what the Lord has in store for us as we move forward together.

Pastor Nathan Bettcher
National Administrator

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
CRC CHURCHES INTERNATIONAL AUSTRALIA INCORPORATED**

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of CRC Churches International Australia Incorporated, CRC Missions International, and CRC Training (the association), which comprises the assets and liabilities statement as at 30 June 2023, the income and expenditure statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

In our opinion, the accompanying financial report presents fairly, in all material respects gives a true and fair view of the South Australian Act, the financial position of the association as at 30 June 2023 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the requirements of the South Australian Act.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the association to meet the requirements of the South Australian Act. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of the Committee for the Financial Report

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the South Australian Act and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

CRC Churches International Australia Inc

Notes to the Financial Statements
For the Year Ended 30th June 2023

Note 1: Summary of Significant Accounting Policies

(a) Basis of Preparation

This special purpose financial report has been prepared for distribution to the members to fulfil the financial reporting requirements under the CRC Churches International Australia Inc constitution and the Australian Charities and Not-for Profits Commission Act 2012. The board has determined that the entity is not a reporting entity.

CRC Churches International Australia Inc is a not-for-profit entity for the purposes of preparing the financial statements.

The financial report, except for the cash flow information, has been prepared on an accruals basis and is based on the historical costs convention. The amounts presented in the financial statements have been rounded to the nearest dollar. The financial statements are presented in Australian dollars, which is the functional currency of the entity.

The financial statements have been prepared in accordance with the mandatory Australian Accounting Standards applicable to entities reporting under the Australian Charities and Not-for-profits Commission Act 2012, the basis of accounting specified by all Australian Accounting Standards and Interpretations, and the disclosure requirements of Accounting Standards AASB 101: Presentation of Financial Statements, AASB 107: Cash Flow Statements, AASB 108: Accounting Policies, Changes in Accounting Estimates and Errors and AASB 1054: Australian Additional Disclosures.

(b) Income Tax

The entity is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

(c) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

(d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

(e) Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from donors and any outstanding grant receipts. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

(f) Employee Entitlements

Provision is made for the CRC Churches International Australia Inc's liability for employee entitlements arising from services rendered by employees to the end of the reporting year. Employee entitlements expected to be settled within one year, together with entitlements arising from wages & salaries and annual leave, which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable after one year have been measured at the present value of the estimated future cash flows to be made for those entitlements.

Notes to the Financial Statements cont.

(g) Property, Plant and Equipment

Property, Plant and Equipment are brought to account at cost less, where applicable, any accumulated depreciation.

The carrying amount of Plant, Property and Equipment is reviewed annually by the Board to ensure it is not in excess of the future economic benefit of those assets. Individual items of plant and equipment in excess of \$500, which do not constitute a replacement, are capitalised.

Assets are depreciated on a diminishing value basis and the depreciation rates used for each class of depreciable asset are:

CLASS OF ASSET	DEPRECIATION RATE
Furniture	10%-25%
Plant & Equipment	10%-25%
Computer Equipment	50%

(h) Reserves

Reserves for Future Conferences

Funds have been put aside for use towards the annual national conference, and have been preserved for that purpose.

Missions Resettlement Fund

CRC Missions receive funds which are specifically designated to certain missions. These funds are recorded as revenue when received by CRC Missions and are recorded as an expense when the funds are paid to their designated purpose.

Church Planting Funds Held

Funds that are received for church planting are recorded as income when received and as an expense when paid to their designated purpose. Any remaining funds are preserved until spent.

(i) Revenue Recognition

The entity recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefit will flow to the entity and specific criteria have been met for each activity as discussed below.

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed.

All revenue is stated net of the amount of goods and services tax.

Donations

Donations are recognised as revenue when received.

Grants and Gifts

Minor grants and designated gifts are recognised as revenue when received.

(j) Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period which remain unpaid. The balance is recognised as a current liability with the amount being normally paid within 30 days of recognition of the liability.

(k) Financial Assets

Financial assets are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the association's intention to hold these investments to maturity. They are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial asset is derecognised.
