## EXECUTIVE REPORT

*Pr Bill Vasilakis*  
NATIONAL CHAIR

Over the past two years Australia and the entire world has been experiencing an unprecedented shaking.

### THE COVID CHALLENGE

This pandemic has shocked and scared billions of people throughout the world. Sadly, too many precious souls are dying, or are becoming ill with significant medical complications.

Our own dear Fiji National Chairman, Pastor Alipate died of COVID and we also grieve with several of our pastors and people who have lost loved ones in overseas hotspots.

Thankfully, our good and gracious God has provided vaccines in record time, and these will save hundreds of millions of lives through the genius of specialist medicos granted gifts of invention from our loving and all powerful Creator. Some world renown Christ following scientists like Dr Francis Collins (head of the USA's Institutes of Health) have been at the forefront of creating these vaccines and other lifesaving therapies. They affirm that their prayers and those of millions of others are being answered.

The total lockdowns and social restrictions the world's governments have employed to try to arrest this spreading horror, has caused unintended psychological and emotional pain across whole communities. It is fraying social cohesion and with the threat of restrictions on unvaccinated people, another level of distress is occurring.

Most of the reports in this 2021 Update by our CRC Leaders also refer to this pandemic's terrible effects.

### A NEW OPPORTUNITY

Despite the pain, suffering and evil that too many precious people are experiencing, we have also seen the Church of Jesus arising with **fresh vision and new dreams and quickly adapting** to this new landscape by learning and mastering new media technologies.

Our CRC Churches have now become proficient in running online worship services, small groups in homes, as well providing innovative teaching, training & coaching reaching across the globe. Our people are being strongly led and fed by their pastors and new leaders and ministers are being spiritually developed for the harvest. New Churches are being planted and many men and women are being ordained into CRC ministry. Zoom and other media platforms are a gift from God and Jesus' Church is seizing the opportunity to move forward in faith with some innovative strategies to reach more people for Christ.

### A NEW RECKONING

Over the past couple of years, we have also seen our society wake up to some terribly abusive practices by people and especially leaders. These cover a whole range of areas, not just the horror of the sexual abuse of

## NATIONAL...

children we have all been confronting for some years now.

We are having to face up to the terrible crimes of domestic violence, particularly towards women and the shocking abuse of the elderly and the disabled. The many government Royal Commissions are quite prophetic in exposing some awful dimensions of sin in our world that cry out for justice as well as mercy.

Churches and their many social services arms are also under careful scrutiny in these matters and rightly so. Spiritual abuse, unaccountable financial dealings, governance malpractices and sexual harassment by pastors and spiritual leaders is presently under the spotlight.

This is why I sent out earlier this year to our Pastors, Boards and Churches our *Sexual Harassment Policy* and our *Ministerial Code of Conduct*. I trust every Pastor and Eldership discussed these afresh and are ensuring all our local Church employed and volunteer ministry leaders are aligned to these ethical behavioural standards.

Our National Executive also laboured over the past couple of years to frame a *Persons of Concern Guideline* for all our Churches. This is a very sensitive one and builds on our *Child Safety Policies and Guidelines* we have been adhering to in recent years, especially after the Royal Commission's revelations and recommendations.

### CHARACTER IS KING

For all of us who are called by Jesus and have received His charismatic gifts to serve people, we must also be people of character who practice good conduct.

All our CRC moral and ethical guidelines aim to ensure we don't place charisma above character. Too many high profile Christian leaders around the world (particularly in the USA) have crashed badly with awful consequences for the church, because of a breakdown in this character and conduct domain of their lives. It also doesn't help our

witness before a watching world when these embarrassing failures occur.

My fellow pastors we must learn from this regrettable recent history and grow healthily as a movement.

### REVIVAL IS OUR NORMAL

At last years National Conference my latest book *Revival Is Our Middle Name* was launched, and I'm so pleased many of you have written to me about how it has impacted you. For my keynote message at our State Conferences earlier in the year, it was my privilege to build on this theme and share on ***What does an on fire, revived movement of churches look like.***

As I was praying it hit me anew, that the very first Jewish Church in Jerusalem, though setting such a good pattern for all Churches, is incomplete. I love sharing on the timeless transferable truths of Acts 2:37-47, but we need to see that the first gentile Church at Antioch gives the full picture we need to follow.

Yes, our CRC Churches need to be biblically grounded, Christ centred, Spirit-led, flowing in the powerful Gifts of the Spirit, dependent on God in prayer and ensuring we are building a loving and caring Christian community, like the Jerusalem Church.

However, to be a truly New Testament Church, we must move our orientation from being **CENTRIC** and become **RADIC**. Jesus used persecution (Acts 8:1) for them to make this shift so they could fulfil the promise and great commission command of Acts 1:8.

Antioch Churches are different to Jerusalem Churches due to their **continual outreach orientation**.

Antioch Churches establish **operational bases** to evangelise and plant new Churches. They don't just plant Jerusalem Churches but continually reproduce themselves by birthing new churches.

## NATIONAL...

Antioch churches are into **training and equipping** for ministry and mission and church planting, and don't just provide teaching for maturity.

Antioch churches **give and send out liberally**, and are not just focussed on receiving and gathering into their fold. They sow their best to extend Jesus' kingdom on earth through apostolic evangelism and church planting.

This is the clear pattern in the book of Acts and New Testament letters.

### A FAITH CHALLENGE

Let's change our paradigm and **see** our Churches as operational bases. Wouldn't it be terrific if we all individually could be led by the Holy Spirit to **set** a realistic faith goal?

If all our 135 Churches could prayerfully **step out** and pioneer a new church every 10 years, it would cause exponential growth. Imagine from 135 to 270 churches by 2031 and then from 270 to 540 churches by 2041. This is compound multiplication.

I encourage you to seriously **prepare, pray and plan** to become a radic Antioch Church.

*Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen. (Ephesians 3:20-21 NIV)*

I love our CRC family of ministers and churches and it's a joy and honour to be serving Jesus with you at such a time as this.

## STATE REPORT

### VICTORIA & TASMANIA

*Pr Dan Parker*

STATE CHAIR

The Churches in Victoria and Tasmania have endured lockdowns and **COVID related issues** in two differing environments.

There have been quick responses and adaptations to the various circumstances in each jurisdiction. Tasmania has had less restrictions and a reduced number of lockdowns. They have been able to operate normally from late 2020. Whereas Victoria has had the two different scenarios play out. Melbourne has suffered under the most restricted regime of lockdowns in the Nation, while the rural regions have had less restriction periods, but the most stringent in the Nation for rural areas.

Good things have still been happening while Church leadership has been adapting to these changing circumstances and ministering to people in digital formats.

## VIC TAS...

The Youth and Children's ministry teams continued to build the effectiveness of the **Implant Training day**. They trialled it in three locations because of movement restrictions. Each location had a speaker that was streamed to the other sites. It worked seamlessly and there was a 30% increase in attendance across Victoria. We're now planning to incorporate Tassie into this process going forward.

In April, Victorians were fortunately able to travel to Burnie in Tasmania for the **State Conference**. The change of location was appreciated by Pastors and Leaders from both States. Greg and Heather Jones' team did an amazing job serving the movement and the Conference was a highlight of the year for many of the delegates.

The tech teams in Churches have had their moment in the sun. **Online streaming** and film editing services through necessity has meant upgraded equipment and rapid growth in experience. The media-tech teams have been some of the heroes of the lockdowns.

In Victoria, we have seen an elevation of the engagement with **ethnic Churches and Pastors**. We are welcoming into the movement three Karen (Myanmar) community churches—two in Victoria and one in NSW. Their affiliation will be recognised at the conference. There are two other African pastors being credentialed that will also bring in two new congregations in the near future. The CRC Arabic Church in the north of Melbourne has seen significant growth in the last 18 months under Pr Ghassan Thomas. In Victoria, this is recognition of population growth in cities and large regional centres. It is a development of our Church multiplication strategy and aligns with the Australian Strategic Directions (2018-2023).

There have been significant **leadership transitions** in Churches in regional areas—Portland, Waurin Ponds and Hamilton have new lead pastors. Bannockburn, formerly a campus church of Waurin Ponds is now a constituted CRC Church. We are seeing some Churches moving into campus relationships, Church plants launched through Campuses and Campus Churches transitioning to their own entities. Church planting and leadership structures are changing and shifting according to local needs and circumstances. There is no dominant strategy.

The challenge Church Leaders are facing in the next 1-2 years is how to work with their people to bring back the discipline of **Service attendance and Small Group meetings** in person. There will be for a period of time of adjustment to remote Church attenders being factored into the understanding of Church congregations. How this plays out may be different according to jurisdictions and will require another level of adaptability in the time ahead.

*Good things have still been happening while Church leadership has been adapting to these changing circumstances and ministering to people in digital formats.*

# STATE REPORT

SOUTH AUSTRALIA, NORTHERN TERRITORY & WESTERN AUSTRALIA

*Pr Joe Habermehl*

STATE CHAIR

I am privileged to greet you on behalf of the CRC Churches in S.A., N.T. and W.A. and report to you on the good things God has been doing around our Churches. My hope is that reflecting on these things will remind us of the goodness of God and His presence in every moment of 2021.

Once again COVID loomed large on the decisions and plans for each Church as we navigated all the public health concerns and responded to our State Government's requests. Thankfully though, God enabled us with the grace and wisdom required and we're grateful for how He has helped pastors and leaders in other states who faced much more difficult circumstances. I am extra grateful for our State Pastor, Hans Voortman, for how God has been using him to build up Churches and Pastors and to our State Administrator, David Washington who has kept the steady stream of vital information flowing.

The State Executive has also led the churches well this year and I want to thank Paul Kidney, Cass Tompich, Fiona Voortman, Mark Bettcher, Kevin Hall and Rod Ness. Pastor Kevin Hall has stepped down to devote more time to the Senior leadership role he has taken up at our Seacombe Gardens Church and will be significantly missed.

Our State Conference this year was hosted exceptionally well by the team at Hope Central and we're grateful for their humble sacrifice, service and for the atmosphere of family that they created for us. We focussed on "Rekindling the Fire" and drew our attention to how we must stay in love with Jesus. With sessions on effective spiritual retreats, good mental health, effective preaching and a reflection on how God was calling us to "put our own oxygen masks on first", I felt that God was re-prioritizing His place in our hearts before we wear ourselves out carrying a load for others.

Last year we launched an initiative to strengthen our understanding and ability to utilize digital media for ministry by bringing in a specialist for 6 months to equip people. It was so warmly received that we felt led to look for other areas that could serve our churches in a similar way. This led us to launching a new 6-month position for a Policy Advisor who could help equip our Churches in regards to the mountain of complicated policy and governance. The issues of governance and compliance for

## SA NT WA...

Churches in Australia has been dramatically ramping up over the last 20 years and we now find that many Pastors are struggling to even keep up with the compliances required by Government. Pastor Wendy Brooks is now serving our churches 2 days a week to provide critical answers and know-how in this important area.

A few of our Pastors reached the end of their Senior Leadership journey in their churches over the last year having served Jesus faithfully to retirement. Pastors David and Jenny Furniss, Pastors Paul and Jane Kidney, and Pastors Allan and Effie Cleanthous are outstanding men and women of God and not only served with

distinction but have also carefully handed the churches they lead into the hands of faithful men and women who will ably continue the work. A few churches also completed the milestone of buying and renovating church properties this year, our congratulations to Moonta, Alice Springs and Salisbury on their faith stretching journey's.

God has blessed us with every spiritual blessing in Christ and it's wonderful to see those blessings everywhere I look. Thank you to everyone who has contributed to the great spirit of unity across our Churches as we all work together for His Glory.

## STATE REPORT

NEW SOUTH WALES, AUSTRALIAN CAPITAL TERRITORY & QUEENSLAND

*Dr Trevor Murphy*  
STATE CHAIR

Psalm 40 v 8 "I delight to do your will..." has been one of my **life scriptures** for some years now. I find it an excellent plumb-line that I can hold up to my heart and measure the state of my life and ministry.

I ask myself, "*Has doing the will of God for my life become a lifeless obligation with growing resentment towards the people I serve and the demands of ministry, or can*

*I still sense the incomparable joy of being about the noble work of my loving Father, with a healthy dependence on Him and the rich anticipation of fruit for His Kingdom?"* It's never about beating myself up, but a great opportunity for personal reflection and heart adjustment as needed. I often reflect upon the words of Pastor Barry Silverback "The nobility is not in the call itself but in knowing the one who called me".

One of the things that helps me maintain this life, passion and joy of ministry is the **intentional relationships** I enjoy with our State Executive team and the many of our CRC Pastors and leaders across the State who value the significant connection and relationship we share within our CRC family of pastors and churches. I'm actually energised and strengthened by getting together with our State Executive team, by our regional gatherings and other opportunities we have to connect together.

## NSW ACT QLD...

Under current circumstances there is not a lot of specific activities and programs to report on but a few highlights over the past year include:

- **Hosting hubs** for the CRC National Conference 2020 in various locations across the state including Sydney, Port Macquarie and Narrandera as well as a number of individual homes and offices.
- Our **State Conference** was successfully held in Narrandera in April 2021. Guest speakers Krista & Sean Smith (online) and David Hall (in person) were outstanding, particularly in the timeliness and inspirational nature of their Word. Pastor Bill's message was outstanding as always and the level of fellowship and genuine honour amongst our Pastors and leaders was a feature of the conference.
- **Regional Pastors gatherings** have been successfully held through the year, depending on COVID restrictions. Pastor Boo does a great job coordinating the Sydney Pastors luncheons, which have been well attended, with our various Sydney Churches alternating as hosts. In the Riverina area we have taken more of an in-service training focus, with various guest speakers including Greg French from C3 Sydney and our very own Nathan Bettcher. At our last 2

days together we offered the excellent Mental Health First Aid course, ably facilitated by Jodie Elliott, who has attained the necessary accreditation to run the training. We plan to offer the MHFA training to all our credentialed pastors across the State over the next year or so.

- A number of our Churches have representatives doing significant work in our **Schools**. James Brown from Lifesource Church in Griffith has been a great support in helping with Education Department compliance and also working towards recognition for our home-grown resources being used in some of our public High Schools.
- One of the things I'm glad to highlight each year in my report is the very high proportion of our CRC Churches significantly involved in **overseas missions**. Although we are unable to travel and visit fields at the moment, I'm aware that most of our Churches are maintaining strong relationships online and providing vital ongoing support.

Perhaps the most challenging area for sustained momentum in these times is in the area of **Youth and Children's ministry**. State and regional Youth events have proven difficult to plan and carry out on a regular basis. Despite this, many of our churches have found innovative ways to connect with and support their Youth and Children. However, I think this is one area where we all very much look forward to some normality and being able to plan and run regular programs and rebuild momentum.

As I consider all our State CRC Churches, **I'm greatly encouraged and inspired by a few things.**

*...reflect upon the words of  
Pastor Barry Silverback  
"The nobility is not in the  
call itself but in knowing  
the one who called me".*

## NSW ACT QLD...

- The ability of our Senior Pastors and their teams **adapting** to the shifting goal posts and embracing the necessary reliance on various technology to not only survive but minister to their churches and communities with increased effectiveness and fruit.
- The **selfless care** and support many of our Pastors have demonstrated to each other in communicating, reaching out and sharing ideas together.
- Despite the challenges over the past few years, a number of our Churches have successfully and positively outworked **succession plans**, made significant property purchases, outworked a vision to grow a school and even establish an additional campus, provide practical support services to their community e.g. food distribution, and to be a clear voice of hope and peace in this season of fear and uncertainty for many.
- The continued primary focus on **preaching the Gospel** and the many amazing stories of people reaching out to receive Christ, testimonies

of healing and answered prayer and the open doors for significant Christ focused conversations are so inspiring.

I am very thankful for our **State Executive Dream Team** who have all given of themselves in amazing ways to serve Jesus by serving the churches and pastors of our state.

The team is made up as follows:  
 Trevor Murphy (Chairman)  
 Caroline Dennis (Vice Chairman)  
 Rod Bortolin (Exec Member & Secretary)  
 Francesca Liu (Exec Member)  
 Geoff Hodgkinson (Exec Member)  
 Steve Rand (Exec Member)

Various portfolios that report back to the executive include the following:  
 Youth Director, Jodie Elliott  
 Children's Director, Caroline Dennis  
 Church Planting, Jeff Cottom  
 State Treasurer, Jan Bollington  
 SRE in Schools, James Brown

Sincere and heartfelt blessings to all our wider CRC Church family.

*...I'm glad to highlight the very high proportion of our CRC Churches significantly involved in overseas missions. Although we are unable to travel and visit fields at the moment, I'm aware that most of our Churches are maintaining strong relationships online and providing vital ongoing support.*

## INTERNATIONAL REPORT

*Pr Barry Silverback*  
INTERNATIONAL MISSIONS DIRECTOR

What a challenging 12 months we have all been through ... filled with such **diversity and uncertainty**. It is difficult to know how people cope with sudden changes, impositions, the curbing of normal freedoms, and the demands on mental and emotions faculties in these times without God being in our lives.

However, regardless of what has taken place around us, our faith clearly and emphatically declares that **God is still in control** and is active throughout this world and there are many wonderful, good news stories to be told; of people coming to Christ, being baptized in water, empowered with the Holy Spirit, wonderful healings and new Churches and home groups birthed ... **GOD IS DEFINITELY AT WORK!**

Let me share some of the good news stories happening around the world.

### NATIONAL MISSIONS OFFERING

Finances raised through the National Mission Offering last year provided several countries with **new communication and recording equipment** for training schools in the Philippines, India, Nepal, Ghana, PNG and other major centres where numbers of other local Churches and leaders nationally connect for teaching, training, pastoral care and communicating with their teams.

It also provided equipment for Jeremy Steel and myself in our teaching and training sessions into the nations.

Personally, I am very thankful this has enabled me to conduct regular weekly training and morale building sessions, as well as live Sunday services into the Philippines, Fiji, India and PNG.

We have also been building an exciting International team of personnel from local Churches in developing Nations as well as from here in Australia who are weekly ministering and teaching live into other nations.

### In PAPUA NEW GUINEA

- Recently there were 31 people baptized at Bethel Centre including 10 Indonesian refugees
- New Christian foundation class (new converts) established with 53 currently attending
- 5 new house fellowships started as a result of these new converts (reaching 49 people)
- Also 3 new churches started in the past 3 months in partnership with Bethel church in one the remote districts in the central province
- An additional 3 new churches started in the Milne Bay province in the last 12 months
- New churches birthed in several the provinces of PNG, the Highlands, East New Britain, New Island, Bougainville, Gulf Provinces and some coastal regions.

## INT. MISSIONS...

- The Christian school at Bethel PNG has had some amazing awards throughout the past 12 months in spite of the pandemic and is considered as one of the top schools in the nation, and recently secured official authorization to move into secondary level education
- Bible Schools in several provinces have reopened this year and Bethel has managed to maintain a teaching program for the staff and some students throughout the past 12 months (2020-21)

**In INDIA**

- In spite of the devastating COVID situation and the complete lockdowns in India we have been able to have two graduations of our two major training schools –World Missions Training School and the Evangelos International Training Institute. 11 of those graduates have taken up full-time ministry with our CRC work spanning across our bases and schools in several different states.
- In June this year we were able to reopen our training schools with a good number of new students and second year students.
- One of our training schools was able to help fund and oversee the establishment of a new ministry base and church plant in a new state of India which is exciting to see.

**In NEPAL**

The Leadership Ministry Training School in the Eastern region of Nepal is continuing to train and develop Pastors and leaders. This is being funded and assisted by a local church in Australia.

**In THE PHILIPPINES**

The Philippines School of Ministry continues to train and mentor young men from different provinces and is reaching out to several other provinces with current local training programs conducted through electronic means.

The local Church in Manila has worked with Bethel Church in PNG to trial a training program of mentoring and developing full time trainees and staff that is working successfully.

There is also a new Australian missionary couple that have been endorsed to go to the Philippines as soon as the nation's borders are open.

**In AFRICA**

Many training schools being monitored and assisted by local churches in Australia are continuing to function throughout the different African nations. The education of Children and Youth in the various Christian sponsored schools continues to operate even with the disruption of national COVID lockdowns.

Churches and ministries in Canada, USA, UK and Europe, are also continuing to move forward and maintain their vision and growth through their specific ministry expressions.

**PLEASE PRAY FOR ...****The challenges facing our personnel in other lands**

- The distractions and the competing voices all vying to be heard.
- The temptations to slacken one's personal disciplines because we are unable to change our circumstances

## INT. MISSIONS...

- The mental tiredness which eventually lowers personal performance functionality and eroding the will to continue.
- The less reliance and use of faith in the presence of the ascendancy of human reason
- The Devil's constant undermining of the use of faith in the life of the believer and the wearing down of their resolve to continue serving God.
- It is a conflict between God's Word and the promotion of the ascendancy of man's wisdom

### The vulnerability of our Personnel

- The concerns that we all share for the physical safety and particularly their mental health and due to the long periods of COVID pandemic lockdowns and the uncertainties that it brings.
- These concerns that leadership shares are very real and unrelenting and are with us 24/7

### The Conflict

- There is a very real spiritual dimension or aspect to this COVID pandemic in which a conflict is being waged by our enemy the Devil with his subtle, insidious, and unrelenting schemes to attack God's work and those who are engaged in carrying out his work.

- It's about the incessant questioning of God's existence and his relevance in today's world and the demeaning of the godly morals of Christianity.

Let me leave you with a reminder of why we continue the mission God has called us to.

### OUR MESSAGE IS:

*To, "Hold on to the pattern of wholesome teaching you learned from me - a pattern shaped by the faith and love that you have in Christ Jesus!" 2 Timothy 1:13 NLT*

### OUR CONFESSION IS:

*That our God has not 'closed up shop' but continues to do everything according to his will among the host of heaven and among the inhabitants of the earth; and none can stay his hand or say to him, "What have you done?" Daniel 4:34-35 - Ephesians 1:11 ESV*

*...God is still in control and is active throughout this world and there are many wonderful, good news stories to be told; of people coming to Christ, being baptized in water, empowered with the Holy Spirit, wonderful healings and new Churches and home groups birthed...*

**GOD IS DEFINITELY AT WORK!**

## NATIONAL REPORT

*Pr Mike Cronin*  
NATIONAL MISSIONS DIRECTOR

Although our environment has dramatically changed due to COVID, our calling in the Lord Jesus has not changed. We are still committed to make disciples, and to have a presence in every nation by 2045. Our International Strategic Directions are still as relevant as ever.

It has been exciting to see how many leaders in various nations are continuing to push forward in faith, despite increased difficulties, and the need to work with various restrictions.

The way our churches have adapted to online services in many nations is excellent.

Pulse magazine this year has highlighted many of our churches/pastors that are making an impact for the Kingdom impact. This is outstanding and the right thing to do. In all these things (Covid etc) we are more than conquerors through Christ. Romans 8:37

We are certainly not to retreat into a cave and say we can't do anything; rather to say with the apostle Paul "I can do all things through Christ who strengthens me." Philippians 4:13

### National Day of Prayer/Fasting & National Missions Day

This year the National Day of Prayer/Fasting was Thursday 22nd July, and the National Missions Day was Sunday 25th July 2021.

The Missions Day Offering "Finish What We Started" – the Colombo Project was aimed to finalize the debt. All the money loaned by SA/Vic State Councils has now been repaid, and the final amount presently covered by our Missions Fund needs to be repaid. We are still waiting to receive all this year's contributions to finish what we started.

The dates for 2022 are:

National Day of Prayer/Fasting -  
Thursday 28th July 2022

National Missions Day -  
Sunday 31st July 2022

Please put these dates in your 2022 diary now!

### International Leader's Gathering ILG – October 2nd & 3rd 2020.

In 2020 as there were no international delegates at our Conference due to the Covid Pandemic restrictions, and many Australians could not travel to Adelaide, we took a major step forward with the ILG. It was held online and consequently we were able to have a lot more people involved, particularly from overseas.

The time differences around the globe were challenging, but people responded very well and joined into the Gathering. A session "Missions Training for Young People" led by Pr Jeremy Steel, included 3 young ladies Roxanne Caceres, Mikaela Groom and Purnima was greatly appreciated by the young leaders who were able to join in. The

## NAT. MISSIONS...

other sessions on the Friday focused on the International Strategic Directions 2020-2025 and its Implementation in various countries. The Saturday morning focused on the Australian Churches "Lessons from Multicultural Churches in Australia" and "Lessons on Expanding our Global Influence by Electronic Means".

### Missionary Resettlement Fund

We greatly appreciate the contribution from churches each year to the Missionary Resettlement Fund, which enables us to provide some funds for long term missionaries who are finally returning to live in Australia.

### Global Missions Handbook

The CRC Global Missions Handbook has been updated and is now available on the CRC Missions Website. There are also sample constitutions for a National Movement, and for local churches, that are in line with our understanding of church governance.

### Kids Can Do Missions

This is a great resource of 4 weeks Kids Ministry lessons, with plenty of interactive components to teach children the importance of Missions. Check it out on the CRC Missions Website. Thank you very much to Dr Pr David Goodwin for writing these lessons, and to our four missionaries; Gwen Hageyo, Rebecca Hartskeerl, Becky Cooke & Jono Osbourne who contributed their stories.

### Pathways to Missions

Pr Jeremy Steel has commenced a training program "Pathway to Missions" with 1 day session in SA & NSW. Victoria was delayed until 2022 because of Covid restrictions. Watch for more details to come.

### Global Regional Structure

The AIMT has been considering what organizational framework is needed for the ongoing global development of the CRC, and the fulfilment of our 2045 vision. We have an increasing number of Australian Churches getting involved in opening new nations. We also expect that other nations will expand and reach into new countries. Effective communication across the nations is therefore incredibly important.

### Thank you

Mikaela Groom has again very effectively managed the CRC Missions finance. She continues to do an outstanding job and has efficiently and effectively served our sponsoring churches as well as our various mission fields. Thank you very much Mikaela.

Mikaela has continued as Editor of Pulse Magazine. Thank you Mikaela for the excellent job you do with Pulse in your ideas and initiative as well as the actual production of Pulse.

Thank you very much also to my wife Lois who gave me Administrative Assistance during the year. Also thank you to the other staff at Reveal Church who have adjusted and assisted me at various times.

## PATHWAY TO MISSIONS

*Pr Jeremy Steel*

PATHWAY TO MISSIONS COORDINATOR

Its purpose is to encourage, train and prepare Australians for missionary service and create a network of like-minded people wanting to serve in the nations. We have made a great start with the launching of "Pathway to Missions" in 2021. The initiative is **creating a pathway into missions with 4 simple steps ...**

**Step 1 - Missionary Connect weekends and Online Training.**

**Step 2 - Missionary Training Intensive**

**Step 3 - Missionary Exposure (1-3 Months)**

**Step 4 - Further Training at World Missions Faith Training School (WMFTS PNG) or Missionary Service**

This year we have been able to conduct the 1st step Missionary connect weekends in two separate locations, Adelaide South Australia, and Orange New South Wales. These seminars were well attended and received positive feedback from both seminars. Due to COVID restrictions we have had to postpone the seminar in Victoria was looking like it was going to be the most well attended.

**South Australia - 6th March 2021 plus Alice Springs delegates video Zoom.**

**32 delegates** gathered together on March 6th for our first Pathway to Missions seminar at Seaton Christian Family Centre, in addition to this, a group of 6 from Alice Springs joined via zoom. Pastor Barry Silverback wonderfully shared from his years of missionary service. It was also a pleasure to conclude the day with Julie Fonorito and Rachelle Hardy sharing inspirational stories of their own missionary journeys. Mike Groom and myself also did some sessions.

**NSW, Orange - 4th to 5th June 2021.**

**37 delegates** attended the Pathway to Missions Seminar in Orange, NSW. They turned up the freezers for us, but we escaped just before the snow fell. Pr Dan Taylor and the church did a fantastic job hosting the seminar. It was great to see so many people from all over NSW connecting around missions.

**Victoria**

The next "Pathway to Missions" seminar will be in Victoria, hosted by Turningpoint Church, Cranbourne, hopefully in early 2022.

**Step 2 Missionary Training Intensive**

Our first one-week Missionary Training Intensive is set for July 2022. For more information, please contact Pastor Jeremy Steel via email [steeljeremy0@gmail.com](mailto:steeljeremy0@gmail.com)

It has been a great joy to see such a positive response the Pathway to Missions initiative. I'm believing this monument will continue to build and have us positioned and ready to move when the international borders reopen.

## NATIONAL REPORT

*Pr Chris Carmody*  
NATIONAL TRAINING DIRECTOR

Over the last 12 months CRC Training (CRCT) has achieved many goals including fully stepping into our partnership with Alphacrucis (AC). We have seen it continue to strengthen and allowing new course options to become available; including the June announcement that in 2022 the Diploma of Chaplaincy will become a course in the offering. The CRCT Certificate of Christian Studies (VET) was also launched with 15 students commencing study in early 2021.

We have 34 Higher Education students completing either a Diploma or Bachelor with CRCT (including a Syrian Refugee based in Turkey who is an AC Scholarship Student). This past year has also seen our students in Poland complete their studies. In September 2020 we held a graduation online, where 21 students graduated. Amongst those graduating were CRCT's first Bachelor level students. CRCT also had another 12 members of the cohort complete their study in Trimester 3 2020, and a further 8 over 2021 until June. Over the State Conferences we were pleased to celebrate with 11 CRC Training Alumni who received a credential.

In February we hosted our first reVive Event with guests, Drs Barry and Vanessa Chant. This event was held live at Reveal Church with 30 in attendance and an additional 50+ registered online. Shortly after, we hosted our first camp for 2021 with guest speakers Suzie & Peter Botross, Brian Birkett and CRC Pastors across the week. In late March CRCT was involved in Implant Conference, which was run over three venues. We are thankful to our Alumni who enabled us to have representatives at each location.

In April, a small team of 6 travelled to Hamilton at the invitation of Grace Fellowship to run the entire Sunday service. We are keen to see this replicated in other churches as the invitations are received, as it is a blessing to the Students, Churches and Staff involved.

The last 12 months have also seen the team at CRCT working on a rebrand, which we are keen to launch over this conference period. The College's vision, mission and core values are the same as the movement. We are launching our four operational values, *Foundation, Formation, Connection and Commission* which undergird our day-to-day operations.

Finally, this year has only been possible because we are blessed to have such an amazing, dedicated team and movement. Our staff and students are located throughout Australia, as is our National Training Board. We are very thankful to our team and for your continued prayers and support as we continue to partner with local churches, to see people equipped and released for ministry.

## CHURCH PLANTING

*Dr Phil Cayzer*

NATIONAL CHURCH PLANTING  
& CHRISTIAN SCHOOLS DIRECTOR

Over the last 12 months we have seen the world move into a season that no-one had ever anticipated could happen, with the pandemic affecting many of our outreaches and ministry areas. Yet within the CRC in Australia we have been able to see the work of God continues to grow. Paul records it in Philippians 1:12 *"Now I want you to know brothers and sisters that what has happened to has actually served to advance the gospel!"*

We see Paul identify that when hardships come the Gospel has no limitations! Over these last 12 months we have been blessed to witness the creativity and heart of many within the CRC pioneering outreaches despite the tricky circumstances, like starting online Churches via Zoom, TEAMS, Facebook etc, establishing ministries for various ethnic groups such as Filipino communities, Samoan communities and many different African Nations. We've even seen new Churches being planted and new ethnic churches linking into out movement. I want to encourage you that this is the call that God gave his disciples and has given us the CRC family of Churches. That we are to go forth making disciples and planting Churches establishing strong bases that will

*...we are to go forth making disciples and planting Churches establishing strong bases that will do as the word says.*

do as the word says in Matthew 28:19 *"Go and make disciples of all nations baptising them in the name of the Father the Son and of the Holy Spirit and teaching them to obey everything that I have commanded you and surely I am with you always even to the end of this age."*

As we approach our centenary of the CRC in Australia and the vision that has been set before us 'to have a presence in every nation' it is so important that we as the founding nation of the CRC churches set the standard of planting churches in every major town across this land. I am excited to see how many within Australia continue the challenge to go and reproduce followers of Christ by those very steps: making disciples, baptising them, teaching Jesus' commandments and then encouraging them to do the same in others especially the next generation.

I encourage you, pray, envision and step forward as we see God leading us to conquer many areas in Jesus name.

### **Church Based Schools**

When the CRC originally started in Australia, it had a truly clear mandate to bring the Gospel of Jesus to everyone

## CHURCH PLANTING...

across this nation. To do that, they founded many training areas. Today we have the opportunity to establish Christian Church based schools to be foundational training grounds. We have seen CRC Churches taking hold of this challenge to develop schools that will become discipleship bases not only for the people involved in the CRC Churches but as a mission to support other Christians within our community that have the same heart to bring the Gospel of Jesus to this Nation.

I want to encourage all those churches who have already taken the bold step to plan and prepare for the development of a Christian

school. As we know to run anything such as a school, will require much effort time and commitment but those who have done so have seen incredible rewards as they have seen many young lives being prepared for a Godly future. Proverbs 22:6 *"Train up a child in the way he should go; even when he is old he will not depart from it"*

I therefore encourage you fellow Pastors, if you believe God has spoken to you about training the next generation contact me or one of the other CRC Christian Schools. Talk to us about how you can be involved in developing more training bases for the future of our young people.

## ADMINISTRATION REPORT

*Nathan Bettcher*  
NATIONAL ADMINISTRATOR

The last 12 months have been an incredible time in our world on several levels. It has certainly been a time of change as we step into a new era. These times can often be chaotic, tumultuous and scary ... however, they also open up a host of new opportunities.

As depicted by the front cover image of this report, I think CRC Churches worldwide are on the verge of a new day and there are many wonderful blessings beyond the horizon in front of us. Our mission and vision to plant more Churches, reach new Nations, raise up new Leaders and see more people won into Jesus' kingdom remains the same. But our methods of achieving these goals have to adapt if we are to keep up with the changes that are happening in our world. We are partway through the completion of our **Australian Strategic Directions 2018-2023** and these only take on more relevance as we work together through the autonomous-interdependent relationships we enjoy across our Churches.

## ADMINISTRATION...

It's been my privilege to act as National Administrator again over the 12 months and I particularly enjoyed attending each of the State Conferences, getting to see many of you in person. In spite of the challenges and obstacles we have faced, CRC is in good health on several levels.

For example, our **Financial Reports** this year show a very positive picture. The reports are presented a little differently this year because we had them audited together in one consolidated report to more closely follow the Australian Charities & Not For Profits Commission's (ACNC) expectations. Jobkeeper certainly helped each of our offices this past year, however I am very grateful for the good record keeping and management of finances by May Kirkland (National Office), Mikaela Groom (Missions Office) and Michelle Wallis (CRC Training Office). I would also like to thank Emma Lundberg, our chartered accountant from CFC Seaton, for helping to pull the audited report together.

An important part of tracking the good health of our churches is through recording accurate statistics and regular surveys. One of the best resources for this in Australia is the **National Church Life Survey** that takes place every five years. Not only does this survey provide a comprehensive snapshot of where your church currently is, but it provides comparisons with previous NCLS surveys so that you can see where your church has made progress. If you haven't signed up for this year's survey taking place in October and November, please do so ASAP. If all of our Churches are involved then the data is also helpful on a denominational level. Please contact me if cost is a prohibitive factor and we will assist you.

My thanks to those who have assisted me in the National Office during the last year including Kassie Pidd, May Kirkland, Brenda Giles and Michella Hunter. Also to the teams in the Missions Office and CRC Training Office. I look forward to serving our movement over the next 12 months as we continue this ministry journey together. Let's face our challenges knowing that a God-solution is just beyond the next horizon and may Jesus always be the focus and reason for all we do.

*Our mission and vision to plant more Churches, reach new Nations, raise up new Leaders and see more people won into Jesus' kingdom remains the same. But our methods of achieving these goals have to adapt if we are to keep up with the changes that are happening in our world.*

## AUDIT REPORT

ABN: 84 537 473 256  
INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
CRC CHURCHES INTERNATIONAL AUSTRALIA INCORPORATED**

### **Report on the Audit of the Financial Report**

#### ***Opinion***

We have audited the financial report of CRC Churches International Australia Incorporated, CRC Missions International, and CRC Training (the association), which comprises the assets and liabilities statement as at 30 June 2021, the income and expenditure statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

In our opinion, the accompanying financial report presents fairly, in all material respects *gives a true and fair view of the* South Australian Act, the financial position of the association as at 30 June 2021 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the requirements of the South Australian Act.

#### ***Basis for Opinion***

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### ***Emphasis of Matter – Basis of Accounting***

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the association to meet the requirements of the South Australian Act. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

#### ***Responsibilities of the Committee for the Financial Report***

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the South Australian Act and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

### **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
